9 Predicting Looking at Ginger's face in this picture, I predict he is starting to like the new kitten. What do you think? How do you think the story will end? Let's read on to find out.

Then she [redacted] Ginger
into his own
warm basket.

All she could find for the kitten
to sleep in was a little [redacted]
cardboard box. **9**

But the kitten
didn't mind, because
cats love cardboard boxes
(however small they are).

So when the little girl
went in to see
the two cats
again,

THIS is how she found them.

45

And now Ginger
and the naughty kitten
get along very well . . .

most of the time!
