

Concept/Question Board

Continue to encourage use of the **Concept/Question Board** by recognizing and thanking students for their contributions. Incorporate discussion of the posted items whenever possible. Remember also to model by posting your own questions and ideas.

Inquiry Rubric

During Workshop, assess students using the rubric below. The rubric ranges from 1–4, with 1 as the lowest score and 4 as the highest score.

Collecting Information

1. The student collects information that is not related to the topic.
2. The student collects information loosely related to the topic.
3. The student collects information clearly related to the topic.
4. The student collects useful information, reviews it critically, and pays attention to the reliability of sources.
