

Small-Group Time

Small Group

- ◆ Have students meet in their small groups to finalize their investigations and presentations.
- ◆ Have groups present their findings.
- ◆ Tell students to listen politely to the presentations by their classmates. Allow time for students to ask questions or seek clarification about the information presented.

Concept/Question Board

Continue to encourage use of the **Concept/Question Board** by recognizing and thanking students for their contributions. Incorporate discussion of posted items whenever possible. Remember also to model by posting your own questions and ideas.

Inquiry Rubrics

Presenting Inquiry Findings

To assess Presenting Inquiry Findings, see the Inquiry Rubrics in the Level Appendix.
