

## Comprehension Strategies

### Introducing Strategy Use

#### Teacher Modeling

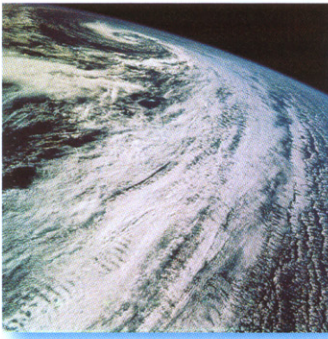

**9 Monitoring and Clarifying** *At first I didn't know why these words were here. Now I can see that they are words in dark type that were in the rest of the selection. That answers a question that I asked earlier.*

### Air on the Move

The air around the Earth is moving all the time. It moves because the Earth is spinning.

Also, the air moves because parts of the Earth are freezing cold, and parts are very hot.
